

CODE:	VT-F01
REVISION:	MARCH 2023
MADE:	GENERAL MANAGER

**At Vintage Transport we are committed to providing Federal Freight Transportation services with Quality and Security in the Supply Chain.**

**Always complying with the requirements of the interested parties and adopting a culture of security to prevent, secure and recognize threats in the security of the supply chain, such as smuggling, arms trafficking, people, prohibited goods, and acts of terrorism.**

**Continuously improving our controls to obtain the best practices applicable to the CTPAT program.**
